

Postdoc Table Talk

Friday, July 22, 2016: 12 - 1:30 pm

Postdoctoral scholars rely on a network of mentors and advisors for success during their training and beyond. Some postdoctoral scholars may not have the opportunity, contacts or venue to broaden this network, especially with academics in another field.

To address this, the Office of Postdoctoral and Visiting Scholar Affairs (OPVSA) and the Postdoctoral Association (PDA) have collaborated to create a platform for postdoctoral scholars and UC San Diego faculty to connect over an informal lunch at the Faculty Club once per quarter.

During this lunch, up to 5 postdoctoral scholars and a faculty member of the scholars' choosing will have the opportunity to engage in discussions, such as postdoctoral training, research, life in and outside of academia and more. The topics are driven by the attendees and all are expected to participate in the discussion. OPVSA will sponsor the lunches at the Ida and Cecil Green Faculty Club.

Join us for the lunch on **Friday, July 22, 2016 from 12-1:30 pm.**

Featuring faculty member:

Kimberly Cooper, PhD

Assistant Professor, Division of Biological Sciences

We hope you will take advantage of this opportunity to meet with UC San Diego faculty members as they share their insights and experiences!
